You've got this! ♥
Be prepared.
Ask questions.
Follow through.
Better health
is a team effort! ♥

1 CLARIFY

Make sure I understand.

"Can you explain
that in simple
terms?" ♥

Leave knowing
what it means.

2 UNDERSTAND

Know the plan.

"What do I
need to do
next?" ♥

Leave with a clear plan.

3 WATCH OUT

Know when to get help.

"What warning
signs should
I watch for?" ♥

Know what's normal
and when to call.

Follow-Up Checklist

After Your Visit...

Confirm all tests/labs.

Ask when results will be ready
and how you will be notified.

Confirm all referrals.

Get the name and phone number
of the office you are being referred to.
If nobody calls you within 1 week,
call the specialist directly.

Get any paperwork you need.

Schedule your next appointment
before you leave (if needed).
